

FZI Core Facility Flow Cytometry Seminar

Forschungs-
Zentrum für
Immuntherapie

Flow Cytometry expert Jochen Barths

*Renowned for EMBL
and DKFZ lectures*

Contact: jbarths@unistra.fr

Free Seminar, Mainz, December 06th 2019

11:00 – 12:00

- History and Present of Flow Cytometry (a Short Review)
- Principles of Flow Cytometry
- Thresholds - Gating – Hydrodynamics

13:00 – 15:00

- Fluorescence - Fluorochromes - Multi Color Flow Cytometry
- Compensation (Principles and Pitfalls)
- Data Analysis (a brief introduction)

Application topics:

- Cell Cycle
- Apoptosis / Cell Death

Building 308A, Seminar room 3.105

Limited seats available. Register at CFFC@uni-mainz.de
